---

Kelly.... You did a great job on the channel 7 interview!

What time do you think you will be setting up the SKC pumps tomorrow? I'd like to be there when you turn the pumps on. If you start at 7 am will you have the pumps ready to go by 8 am?

thanks

Good Evening All,

Attached is the work summary for yesterday, 03/31/2014; as well as an updated map as of this evening. 8 hr samples for the 200 hall were pulled today, and we should have those results tomorrow afternoon. We are on schedule to do the 8hr sampling in the 100 hall tomorrow.

Please let me know if you have any questions.

Kelly C. Scribner, Ph.D.
